

THE PROJECT

A NEW PUBLIC REALM OF HIGH QUALITY HARD AND SOFT LANDSCAPING THAT ALSO INCLUDES A RETAIL FACILITY WITH AN INTERACTIVE INFORMATION SCREEN.

Golden Square is an Urban Regeneration project within the Big City Plan Initiatives Programme. It provides a new visitor attraction within the heart of the Jewellery Quarter and the design reflects the historical artisan work of craftsmen within the Jewellery Quarter and the sources of precious metals and gem stones. It includes a space for both formal and informal events together with provision for business participation within the Plaza; an open green space known as The Orchard, and an area for retail and cafeterias along the Promenade.
